Hireyu Nuigini is a leading labour-hire solutions provider, committed to providing reliable staffing solutions to the construction industry. Our mission is to deliver skilled and reliable workers to meet the dynamic needs of our clients, for the most complex engineering challenges. We only source talent domestically from within Papua New Guinea, as a result we provide a very personal service to both the candidate and hiring manager.

Why us?

Skilled Workforce:

We specialize in providing highly skilled PNG nationals, including blue collar, site supervision, white collar and professionals with expertise in mining, heavy industry, mineral resources and, oil and gas sectors.

Compliance:

Hireyu Nuigini not only adheres to all relevant local labour laws, we strive to improve on them. By offering our workers the chance to earn a living wage whilst enjoying the benefits of ongoing training, up-skilling and development opportunities, we view each team member as an asset, not a number!

We have a policy of providing sustainable staffing solutions for our clients. We do this by remaining ethical, valuing our workforce and building lasting relationships. We listen, we understand, and we care! For these reasons we have an extremely low staff turnover compared to industry averages. As we say, "a happy worker is a loyal worker."

Safety:

Our staff operate under robust safety systems and comprehensive training to protect the well-being of our workers, promoting a secure work environment. Safer Together!

Flexibility and Scalability:

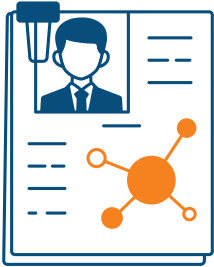

Hireyu excels in adapting to evolving client requirements, offering flexible labour solutions that can scale to meet project demands. We get to understand your project, so that we can respond accordingly when you need boots on the ground quickly!
